GENERAL INFORMATION

1. Welcome to Portobello High School's Careers Convention.

We hope that you will find the day worthwhile, whether you are coming to receive advice or to offer it. The careers convention has been organised by the Enterprise in Education Committee with assistance from Skills Development Scotland.

2. Pupils and Parents / Carers are invited to attend

We hope that a large number of Parents / Carers will come along to the evening session and that parental involvement will encourage our young people to think carefully about their futures.

This is an excellent opportunity to obtain expert advice straight from those who know best. Our representatives come from a wide variety of organisations – e.g. colleges, universities, trades, professions, etc. Please make good use of this careers – focused event on your doorstep.

3. This booklet is a guide to the different organisations present today and gives advice on the opportunities they offer.

4. All general enquiries about careers not mentioned, will be dealt with by Skills Development Scotland.

Police Scotland

The Scottish Police Authority (SPA) is the legal employer of all police staff in Scotland. Some police staff are employed in functions which sit as part of the SPA, such as Forensics, but the majority of police staff fall under the direction and control of the Chief Constable and work in departments which are part of Police Scotland.

Police Scotland's purpose is to improve the safety and wellbeing of people, places and communities in Scotland. Our focus is on keeping people safe which is at the heart of everything that we do.

Careers in the Army

The Army has the largest apprenticeship programme in the country, with about 75 per cent of new soldiers taking part and over 5,500 completing their apprenticeship training each year. Army apprenticeships are part of a nationally recognised scheme, giving soldiers the chance to work for an employer at the same time as studying for a relevant, work-based qualification.

The Army offers apprenticeships in many careers, including:

- engineering
- information and communications technologies
- construction
- driving
- animal care

Apprenticeships in logistics, stores or as drivers

A career in retail

We're not like other retailers. If you have the drive, commitment and grab-life-by-the-trolley-handles attitude, every day can be amazing here. As an apprentice, you'll learn the ins and outs of Aldi – one of the fastest-growing retailers in the country. It's hands-on, practical work combined with theory, as you work towards a qualification and a permanent position at Aldi. We're not going to lie, this is hard work, but it's also incredibly rewarding. And with opportunities in **Stores**, **Logistics** and **Driving**, there's more than one way to succeed here. You just have to want it.

Edinburgh Airport is Scotland's busiest airport helping over 13.4 million passengers through the airport in 2017. Edinburgh Airport's strategy is to grow by providing choice, with passenger and flight numbers projected to continue to increase over the coming years.
