## **Weekly Update – 17<sup>th</sup> January**

### **Prelims**

Our prelims got off to a good start this week with lots of good feedback about our young people from our invigilation team. We wish all those involved all the best for the remaining exams.

### **Careers Convention – Tuesday 4<sup>th</sup> February**

All S2-S6 will have the opportunity to visit the careers convention in the assembly hall in the afternoon of Tuesday 4<sup>th</sup> February. We have exhibitors coming from universities, Edinburgh College, local employers and employers offering apprenticeships. Pupils will also have a chance to come in between 5.30pm and 6.30pm with their parents/carers to discuss opportunities with any of the exhibitors and discuss future pathways.

### **Thank you from the Parent Council**

The Parent Council would like to thank everyone who bought drinks, raffle tickets and/or ice-creams at the Christmas concert or 'Portobello does Strictly'. Thanks to your generosity, we made £1300.40 for the school at these events - which is absolutely brilliant.

We would like to pass on particular thanks to Heather for her very generous donation of ice-creams. We would also like to thank everyone who donated a raffle prize, including:
