

Weekly Update 28th February

S3 Pathways

Young people in S3 received their Pathways booklets, reports and forms this morning in Key Adult. They will have discussions with Key Adults and PSLs next week prior to the forms being returned by 9 March. Parental support in ensuring this deadline is met is appreciated!

S2 Lion King Trip

Over the past few weeks some of our S2 classes have been working through the design process to create masks inspired by the stage production of The Lion King. We watched behind the scenes documentaries and looked at the work of costume designer Julie Taymor. This week we were lucky enough to take a large group to a matinee performance to see the creative process come to life, some of our learners were lucky enough to display their designs in the theatre for the public to enjoy.

Fencing

Congratulations to **Nye Ulferts Kilpatrick S3** who is currently down to fence at the International Challenge Wratistavia event in Poland next month. Nye is down to fence all 3 weapons (Epee, Foil and Sabre) and is the only Scot able to do this at international level, which is a fantastic achievement. In addition, this year Nye has won or made the podium at 3 open (i.e. adult) events in Germany, Scotland and England, including a bronze at the Lancaster Open last weekend. Well done Nye!

U14 Karate Cup

Congratulations to Lottie Burnham who secured a bronze medal in her U14 -45kg and another bronze in the U14 Open Weight teams at the Ishøj International Karate Cup in Denmark.
