

Weekly Update – 14<sup>th</sup> June

**Practical Cookery & Practical Cake Craft**

Our students worked hard to cater for the Portobello Learning Festival last Saturday, which was met with much praise on their teamwork, baking and decorating skills. Thanks to N5 Hospitality Practical Cookery and N5 Hospitality Practical Cake Craft for all their hard work and determination in making 400 biscuits!

...and the biscuits! I love not only their openly declared sentiments, but the fact that it is young people who designed, baked & printed them! #Hope #Love Thank you @PortobelloHigh for all your excellent hospitality. #PortyLF19 @ruthsmckay @realdcameron @musicmind @HYWEL\_ROBERTS

Puppet Workshop

During activity week, a group of pupils participated in a puppet making workshop and learnt what working in the creative industries might be like. It was a unique session that gave pupils the opportunity to get hands on experience. Pupils were joined by puppeteer Jenny Johnston on a whimsical journey of discovery as they brought to life their very own puppet. They had fun creating original characters, experimenting with the dynamics of performance and investigating the ancient art of object theatre.

M&Ds The rain couldn't spoil our activity week as you'll see below!
