

Portobello High School – Distance Learning for School Closure

Whilst the school is closed, teachers will be providing regular opportunities for students to learn online. For those in S1 and S2, special OneNote notebooks have been set up with details of how to access them on the school website. Students in S3, S4, S5 and S6 can access distance learning through their existing OneNote Notebooks on their iPads.

The following timetables have been created so that students can access new activities each day. Each learning activity should take learners at least one hour to complete with additional follow-up work provided in some cases in proportion to a normal timetable:

S1

Monday	Tuesday	Wednesday	Thursday	Friday
English Geography Art	Modern Languages RMPS CDT	Mathematics Modern Studies Music	Science Drama FTT	History PE Digital Literacy

S2

Monday	Tuesday	Wednesday	Thursday	Friday
Mathematics Modern Studies Music	Science Drama FTT	History PE CDT	English Geography Art	Modern Languages RMPS Computing Science
