STUDY SESSIONS

STUDY SUPPORT CLASSES

Our one-hour study support sessions are a great way to get extra help with your subjects, build confidence, and get ready for your exams. Sessions run after school across most subjects and are led by different teachers from each department. Don't worry if it's not your own teacher, it can actually be really helpful to get advice and tips from others! The sessions are usually a bit more relaxed than a normal class, so it's a great chance to ask questions, go over tricky topics, and get individual support. Each session focuses on a key topic or skill and often includes some prelim or exam-style practice to help you feel more prepared.

PATHWAYS ROOM

The Pathways room will be open for quiet study, and staff will be on hand to offer any help or support you need. It's a calm and focused environment where you can work at your own pace and get guidance whenever you need it.

LIBRARY

The library will be open for quiet study until 5pm Mon-Thu throughout the period of the Navigator programme

STUDY LATE

Assembly Hall available for individual and group studying
