Dux Awards

The title of **Dux** is awarded to the student who has achieved the best overall academic performance in their final year of school. It reflects not only their ability but also dedication, perseverance, and consistent effort across all subjects. The Dux has often been seen as a role model for other students, embodying the values of hard work, discipline, and commitment to learning. This year is extra special as the winners are being awarded in the 150th year of Portobello High School.
